

Bristol Volunteers Get Energy

Are you interested in finding out how you can help your community to save energy?

Bristol Volunteers Get Energy is looking for volunteers from groups across Bristol to help them communicate and deliver a range of energy-saving activities within their communities. Volunteers are free to commit as much time to the scheme as they are able to.

Open to anyone, the scheme allows volunteers to choose from a menu of options to enable them to best support their communities with different energy-saving activities. The options include: events, training, support, information and energy saving demonstration days.

Support and resources will also be made available to aid volunteers in delivering their work. If you, or anyone in your group, is interested in becoming a volunteer get in touch.

Volunteers will attend a start up session to meet the team and to ensure they have all the information they need.

To sign up, please complete the form below and email it to: volunteers@cse.org.uk. For more information call: 0117 934 1400 and ask for a member of the volunteers team, or visit the website: www.cse.org.uk/volunteers.

Tell us about yourself and what you're interested in ...

Name: _____

Address: _____

Telephone: _____

Email: _____

Do you currently volunteer for a group?

If so, what is the name of your group?

What is your role within this group / as a volunteer?

What type of activities, including any energy saving activity, is your group already involved in?

Please indicate which activities you're most interested in:

Taking steps to find out what your community (friends, neighbours, group) needs to help them save energy

Training: energy basics

Training: how to deliver an energy basics presentation to your community – including tips on presenting and frequently asked questions

Training: reading meters and setting heating controls

Training: carrying out energy audits

Draught-busting events and training – including hands on draught-busting demonstrations

Giving energy advice talks

What other activities would you like to be involved in to help encourage energy saving in the home in your community?

Data Protection: The information supplied on this form will be used by the Centre for Sustainable Energy (CSE) to enable us to contact you in the future for the purposes volunteering for the Bristol Volunteers Get Energy scheme. Any information will be logged on a secure server and will only be used by CSE or project partners in reference to this project. Information will not be passed to any unconnected third parties.

Bristol Volunteers Get Energy is a new project from the Centre for Sustainable Energy (CSE) aiming to inspire, resource and support volunteer driven action on household energy across Bristol. CSE is a charity which helps people and organisations from the public, private and voluntary sectors meet the twin challenges of rising energy costs and climate change.
