

Warm Streets Communities Plus April 2010 to March 2011

Application Form

Warm Streets is a carbon emissions and fuel poverty reduction initiative managed by the Centre for Sustainable energy and funded by Scottish and Southern Energy. Community groups that successfully apply to join **Warm Streets Communities Plus** will receive payment for referrals to Warm Streets for subsidised loft and cavity wall insulation. The 'Information for Groups' document explains the scheme in more detail and should be read in conjunction with this application.

Group name:	
Contact name:	
Contact address:	
Phone number(s):
